When the matter is taken up, it is represented that the counsel on record appearing for Petitioner, has become as Assistant Government Pleader. As seen from the record, there is no change of vakalat filed.

Learned Assistant Government Pleader placed on record written instructions and would submit that the dispute between the Petitioner and unofficial respondents is purely civil dispute relating to the subject property, suits are also filed before the concerned civil Courts and the matter is pending adjudication. Respondent Police did not call the petitioner at any point of time and never insisted him to settle the matter with the unofficial respondents and requested to dispose of the Writ Petition by passing appropriate orders.

Considering the submissions, since there is a statutory remedy available to the Petitioner under BNSS, 2023, Petitioner is at liberty to work out the remedy before appropriate forum according to law.

Recording the said submission, this Writ Petition is disposed of. However, the Police are directed not to interfere in the civil disputes between the parties except under due process of law. No order as to costs.

Pending applications, if any, shall stand closed.
