CORAM: HONOURABLE MR. JUSTICE A. ABHISHEK REDDY
ORAL ORDER

12 22-03-2025

Heard the learned counsel for the parties.

The present writ petition has been filed for the following reliefs:-

“That, this writ application is being filed for issuance of writ in nature of Mandamus or any other appropriate writ, order or direction commanding the respondents to remove the electrical pole from the lands of petitioner having Khata no.188, Plot no. 12, Khata no.187, Plot no.13 and Khata no.184, Plot no.14, 15, 16 situated at Mauja Kashim Chak Anchal, Dulhin Bazar, under Patna District and shift the same to the Govt. land which are in the vicinity of petitioner land or pass any such

other order/orders as this Hon'ble Court may deem fit and proper."

3. Learned counsel for the petitioner has stated that the petitioner is willing to make the entire charges for shifting of the poles which are running through his land. However, the Authority have taken stand that the said poles cannot be shifted as it not feasible to change the alignment and further it is stated that there is a 33/11 KV electric power sub-station along with 11 KV feeder which is existing as aligned and the said feeder caters to almost 12 villages.

4. Having regard to the above stand taken by the authorities that it is not technically possible for the authorities to shift that poles, this Court does not find any merit in the present case which warrants any interference by this Court.

5. The writ petition is accordingly, dismissed.
