6. This Court has two options: either to impose cost and alternatively is to allow the petitioners to approach individually before the Collector, East Champaran, Motihari for the redressal of the grievance.

7. In that background, following the order passed in Vashishth (supra) case, the writ petition is disposed of allowing all the petitioners to approach afresh before the respondent, Collector, East Champaran, Motihari individually so that he/she can take a decision in accordance with law. If the petitioner(s) individually makes representation in eight weeks, the Collector, East Champaran, Motihari to decide by the end of the year.
