(Hon'ble Shri Justice Naresh Kumar Chandravanshi)

Order on Board

19/03/2026

1. Since the issue involved in all the above writ petitions is one and the same, therefore, they are being heard analogously and decided by this common order.

2. The Writ Petition bearing WPC No.1110/2026 contains the same issue and the same reliefs, therefore, it is also heard along with the present batch of writ petitions and decided by this common order.
3. Learned counsel for the petitioners submits that the petitioners are residents of Villages Jogisar and Belpat, respectively. Some portion of their lands has been utilised for the construction of the Ratanpur to Jabalpur National Highway 45 without following the due process of law. He further submits that the compensation has not been paid to the petitioners.
4. In reply, learned counsel appearing for the respondent No.1 submits that the lands of the petitioners in the writ petitions bearing WPC No.923/2026, WPC No.925/2026 and WPC No.1006/2026 have been acquired for the construction of the aforesaid road, and compensation has also been deposited in the office of respondent No.3.
5. In respect of the other cases, learned counsel for the State/respondent Nos.2 & 3 submits that various other persons of Villages Dugra, Umakhohi, Belpat, Jogisar, Banjhorka, Khodri, Thengadand, Gaurkheda, Peeparkhunti and Kenwachi have filed representations before respondent No.3 stating that their lands have also been affected by the construction of the aforementioned road, therefore, respondent No.3 has constituted a team of Revenue Officers vide Order No.3041 /अ.वि.अ. / भू०अ०/2025, Pendra Road, dated 22.09.2025, to conduct an inquiry. He further submits that the petitioners may also file an appropriate application/representation before respondent No.3 so that the team constituted by respondent No.3 may also examine their grievances.

6. In response to the above contentions made by learned State counsel, learned counsel for the petitioners would submit that the petitioners in the other cases, whose lands have been affected but for whom compensation has not been paid to them, will also file representations/applications before respondent No.3. Therefore, he prays that these writ petitions may be disposed of granting liberty to the petitioners to file their representations/applications for redressal of their grievance.
7. As contended by learned counsel for respondent No.1, compensation has already been deposited in favour of the petitioners in three cases, i.e., WPC No.923/2026, WPC No.925/2026, and WPC No.1006/2026. Consequently, the petitioners in these cases may file appropriate applications/ representations for disbursement of the compensation.
8. Having considered the contentions put forth by learned counsel for the parties and without making any comment on the merits of the cases, these writ petitions are disposed of by granting liberty to all the petitioners to file their representations/applications for redressal of their grievance before respondent No.3, within a period of 15 days from today. In the event of such applications/representations being filed, respondent No.3 is directed to inquire into the issue and decide the applications/representations filed by the petitioners. It is further observed that if it is found that any parcel of the petitioners' land has been utilised for the construction of the said road, appropriate proceedings shall be initiated with regard to grant of compensation and other benefits to the petitioners, in accordance with law.

9. With the aforesaid observations and directions, all the writ petitions stand **disposed of**.
10. Pending interlocutory application(s), if any, also stands disposed of. No order as to cost(s).
