

HIGH COURT OF CHHATTISGARH, BILASPUR

2026:CGHC:12651-DB

Proceedings through video conferencing

Order Sheet

WA No. 235 of 2021

Shree Engineers And Builders Private Limited **Versus** State of Chhattisgarh & others

19/08/2021	Shri Sunil Tripathi, Advocate for the appellant. Shri Satish Chandra Verma, Advocate General with Shri V.R. Tiwari, Additional Advocate General and Shri Shri Sudeep Agrawal, Dy. Advocate General for the State/respondents. Heard. In course of hearing before this Court, it is felt that both the parties are making conflicting claims about their possession over the subject land and raising of construction of Medical College building by the respondents. On the one hand, Shri Sunil Tripathi, learned counsel for the appellant submits that he has been allotted 6 acres 43 dismil land, out of which he is in possession of about five acres of land and the remaining area have been encroached by the respondents. However, he admits that the building of Medical College, Ambikapur has been constructed on Government Land on which the petitioner has no claim. On the other hand, Shri S.C. Verma, learned Advocate General with Shri V.R. Tiwari, Additional Advocate General and Shri Sudeep Agrawal, Dy. Advocate General submits that construction of Medical College building has already been completed and no area belonging to the respondents have been encroached by the respondents authorities.

In order to have correct facts before this Court, considering the issue about continuity of the interim order passed earlier on 06-11-2019 and to secure the property in dispute, it is felt necessary that the area in occupation of the petitioner be demarcated.

Let demarcation of the area allotted to the petitioner be demarcated in his presence on 6th September, 2021.

The appellant shall cooperate at the time of demarcation.

Post the matter for further hearing on 13th September, 2021.
