CM APPL. 26448/2024

This application has been filed on behalf of the Petitioner seeking early hearing of W.P.(C) 915/2024.

W.P.(C) 915/2024 is coming up for hearing on 27.08.2024.

Neither any reason has been given in the application which would indicate that the Writ Petition would become infructuous before the next date of hearing nor any compelling reason has been given which would convince this Court to hear the matter on an early date.

Accordingly, this Court is not inclined to prepone the date of hearing of the Writ Petition.

The application is dismissed.
