Matter is still pending before the Delhi High Court Medication & Conciliation Centre for 17.04.2017. It is stated by the petitioner that his sisters respondents No.5, 6 & 7 are not appearing in this case and should be proceeded ex-parte as they are also not appearing before the Mediation Centre which is causing delay in settlement between the remaining parties.

It is also stated by the petitioner that respondents No.5, 6 & 7 have already given their no objection in their own handwriting in his favour in support of the Will in question. Let petitioner file that document on record before the next date of hearing. It is, however, correct that respondents No.5, 6 & 7 are not appearing in this case since long.

Let the matter be placed before the Hon'ble Court on **11th April, 2017** for further directions qua respondents No.5, 6 & 7.
