ORDER

% **23.02.2026**

1. This Court is of the *prima facie* opinion that no part of the cause of action in the instant Suit has arisen within the territorial jurisdiction of this Court. The mere existence of an office of the Defendant in Delhi, by itself, would not confer territorial jurisdiction on this Court, unless it is demonstrated that some part of the underlying transaction(s) occurred within this Court's jurisdiction.
2. Faced with the above, the learned Counsel for the Petitioner seeks some time to satisfy the Court on the aforesaid aspect.
3. List on 09.03.2026 in the Supplementary List.
