I.A. 42888/2024

1. This is an application on behalf of the Plaintiff for early hearing in I.A. No.30625/2024.
2. The case is already coming up for hearing on 18.12.2024. There is not averment in the application to show as to whether the application for which the early hearing is sought would become infructuous if the date is not preponed.
3. In view of the above, this Court is not inclined to accede to the request made by the Plaintiff for preponing the date of hearing in I.A. No.30625/2024.
4. The application is dismissed.
