CORAM:

HON'BLE MR. JUSTICE ANISH DAYAL

ORDER

%

29.08.2025

CM APPL. 52962/2025 (Modification)

1. This application has been filed by *Mr. Azam Ansari*, counsel for appellant, seeking expungement of certain observations made in the order dated 21st March 2025 “*from third line of para 2 beginning with words “it is imperative.....to para 6”*”.
2. The Court is astonished that the present application has been filed after more than five months of passing of order, and that too, seeking deletion of nearly 95% of the content of the said order.
3. The prayer for deletion, as effectively asserted by counsel for petitioner, seeks to completely obliterate the observations recorded by the Court, regarding the sequence of events, facts and circumstances as stated therein.
4. The order of 21st March 2025 is self-explanatory, and this Court finds no reason to modify the order. It would amount to deletion of complete

substantive portion of the order. The application is not only frivolous, but also untenable and, therefore, dismissed.

5. Order be uploaded on the website of this Court.
