ORDER

%

04.08.2025

1. An adjournment is sought on behalf of the appellant stating that the main counsel is not available.
2. Though the cause list mentions another appeal being CRL.A. 533/2023, it is informed that the appellant in the said appeal being one *Parry Peter Jimmy* was never arrayed as an accused in the present appeal and did not face trial. Apparently, the Registry has mentioned the wrong appeal. A perusal of the order dated 19.09.2023 would show that the co-convict, namely *Deepak* has also assailed the impugned judgment vide CRL.A. 534/2022, which is listed in the '*regular category*'. The Registry shall list CRL.A. 534/2022 on the next date of hearing and inform the appellant/his counsel. Additionally, the concerned I.O. shall also inform the appellant about the pendency of the case.

3. Ms. Nandwani, Advocate who is present in Court, assures that counsel appointed through DHCLSC for appellants as well as victims' counsels are appearing on the next date of hearing.
4. List on 16.09.2025.
5. In the meantime, let a report be requisitioned from the office of DSLSA as to the status of compensation awarded by the trial court and if disbursed to the prosecutrix.
