The counsel for the plaintiff states that the joint schedule of documents is yet to be signed by the defendants. The counsel for the defendants states that the joint schedule of documents is not signed because one of the document i.e. an invoice dated 05.07.1992 filed by the plaintiff is neither admitted nor denied by the plaintiff, which was also later re-filed by the defendants during the present proceedings. The counsel for the defendants is directed to sign the joint schedule of documents without prejudice to his above contention and subject to noting down of his reservations/objections in respect of the aforesaid invoice.

The joint schedule of documents in the aforesaid manner shall now be filed before the next hearing.

List the matter for further proceedings on **21.03.2023**.
