1. The Local Commissioner appointed by this Court has visited the premises. However, the report is not on record. Mr. Saurabh Kalia, counsel for the Plaintiff, informs that the Local Commissioner had contracted the COVID-19 virus, and perhaps, for this reason, he was not able to file the report within time.
2. Re-notify on 15th July, 2022.
3. In the meantime, the Local Commissioner is requested to place the report on record.
4. Further, counsel for the parties informed that the mediation talks are in progress and they are hopeful that the same would fructify.
