IA No. 10509/2019

This application is filed by the defendant to place on record the office copy of the post-grant opposition against Patent IN 307249 which has been filed before the Controller of Patents by defendant No.2.

Issue notice.

Learned counsel for the plaintiff accepts notice and states that they are opposing the application and would like to file a reply.

The application is a simple one, namely, for placing on record post-grant opposition filed by defendant No. 2. This event has taken place after filing of the suit.

It is not for this court at this stage to go into the merits and demerits of the post-grant opposition sought to be filed by defendant No. 2 as it is a subsequent event.

The application is allowed and the copy of the post-grant opposition is taken on record.
