I.A. 5180/2023

1. This application has been filed by the plaintiff seeking permission of this Court to take on record the additional documents that were filed way back on 24.09.2015, and on which the defendants had also carried out the admission/denial on 18.11.2015.
2. The learned counsel for the defendants submits that the said documents were filed without taking formal approval/permission of this Court and were never formally taken on record.
3. In my view, only for the technicality of not taking a formal permission of the Court to file these documents, which were in fact filed long back and on which the admission/denial has also been carried out by the defendants, the plaintiff cannot be prejudiced.
4. The documents are, therefore, formally taken on record.
5. The application is allowed.
