Matter is pending for service of R-4.

As per office note, speed post received back unserved but ordinary process is received back with the served report. Service report of ordinary summon is perused.

As per the process server, R-2 is residing at House no. F-433 and not F-333. It is further submitted that one lady claiming herself to be sister-in-law of R-4 has received the notice but this is not the proper service.

At this stage, learned counsel seeks some time to take appropriate instructions from the appellant if he wants to delete the name of the R-4 from array of parties and to move appropriate application.

Put up on 04.08.2023.
