ORDER

% **08.05.2023**

1. This petition has been filed seeking directions in respect of the allegations of the petitioner whose brother was admitted to Institute of Liver and Biliary Science, Vasant Kunj, New Delhi on 16th May, 2022. However, according to the petitioner, her brother was put on a ventilator and intubated without consent of the petitioner while the petitioner was available in the hospital at all times. Further, allegations are made in relation to the process which was undergone relating to the treatment of the petitioner's brother.
2. The learned counsel for the petitioner states that the reports from the hospital do not mention the date of death and time of death of the petitioner's brother and, therefore, their suspicion is that he had passed away a few days prior and had been continued on a ventilator support. The petitioner as a family member had been forced to pay sums and expenses *in lieu* of the same.
3. Issue notice. Ld. ASC accepts notice. Status report will be filed

before the next date of hearing.

4. List on 28th July, 2023.
5. Order be uploaded on the website of this Court.
