1. As we are busy hearing Death Sentence Reference, it is not
possible to hear these appeals today. Re-list on 21st May, 2026.

2. The learned counsel for the appellant in CRL.A. 227/2022 submits that even as per the role assigned to the appellant by the prosecution, there is no evidence against him. Further, he has already undergone a period of more than 07 years including the remission. The sentence of the appellant is prayed to be suspended.
3. The above submission is disputed by the learned APP for the State and the learned counsel for the victim.
4. As we are listing the appeal for final hearing on 21st May, 2026, we refuse to go into the submissions at this stage. However, we make it clear that in case, for any reason, the appeal is not heard on the next date, the request of the appellant for suspension of his sentence shall be considered on merits.
