Matter is taken up through physical hearing as well as video conferencing.

The case is fixed for Plaintiff's Evidence and PW-1 Mr. Harpreet Singh Khurmi has appeared in person but perusal of affidavit of evidence of the witness reveals that the Exhibit numbers and marks of the documents relied upon by the plaintiff have not been mentioned in the affidavit.

Perusal of Joint Document Schedule and part IIIA of the documents reveals that many of the documents have been admitted by the defendants but some of the documents have been denied. Ld. Counsel for plaintiff undertakes to inspect the file physically and to file revised affidavit of evidence of PW-1 clearly reflecting the exhibit numbers and marks of the documents relied upon by the plaintiff. Copy of the revised affidavit be supplied to Ld. Counsel for defendant by way of e-mail. Steps be taken by plaintiff within two weeks.
