CM APPL. 30590/2024

1. This application has been filed on behalf of the Petitioner seeking early hearing of the writ petition.
2. The writ petition is coming up for hearing on 28.05.2024. The reason given in the application for preponment of hearing is that rampant unauthorized constructions are going on and that the property can be sold to a third party. This Court is of the view that since the writ petition is coming up for hearing on 28.05.2024, within five days, the condition of the property will not change much and therefore, the matter does not require preponment of hearing.

3. The application is dismissed.
