1. The matter has been listed today for carrying out admission / denial of documents.
2. On the last date of hearing, directions were given to file the Joint document schedule and also for filing of physical documents on behalf of the defendant. The documents of the defendant are on record now in physical form.
3. Further, so far as the Joint document schedule is concerned, though it had been circulated with the defendant counsel, since affidavit of admission / denial had not been filed by the defendant to the documents filed alongwith the replication and 2 separate sets of documents filed vide separate indexes, the Joint document schedule could not be filed and infact has now been shared again with the defendant counsel.
4. The defendant has now filed 3 separate affidavits of admission / denial which however are also not on record since they were put under objections. Ld. Counsel for the defendant

submits that these have been re-fixed yesterday. Consequently, they would be pending scrutiny. Accordingly, admission / denial of documents could not be carried out today as well.

5. Matter is already listed before the Hon'ble Court for 20.01.2026. Be placed before the Hon'ble Court on the date already fixed i.e. 20.01.2026, for further directions.
