1. At the outset, learned counsel for the respondent has taken a preliminary objection that the respondent is not amenable to the writ jurisdiction, inasmuch as it is neither State nor instrumentality of the State. He further contends that the respondent is not under the administrative control of any Ministry of the Central/State Government. He submits that the respondent is a self-financing organization, which is registered under the Companies Act, 1913.
2. Let parties file short note of their submissions confined to the aforesaid preliminary objection along with judgements, they seek to rely upon.
3. Re-notify on 15.07.2025.
