CM APPL. 33268/2022 and CM APPL. 2906/2024

1. These are the applications seeking stay of the impugned order dated 04.01.2024 (hereafter *the impugned order*). The court is informed that pursuant to the order directing *de novo* enquiry proceedings, which are subject matter of challenge in WP(C) 5563/2020, the proceedings were conducted and have culminated in a final enquiry report and a disciplinary

action against the petitioner. The petitioner has also filed a fresh petition challenging his dismissal, which is pending before the learned Single Judge.

2. In view of the above, we do not consider it apposite to entertain the present applications seeking stay of the impugned order. The same are accordingly dismissed. However, any other interim orders passed by this court shall continue.

CM APPL. 55489/2022

3. This is an application filed by the appellant seeking a direction for fixing the date for regular hearing of the *de novo* enquiry proceedings. This application has since become infructuous and is accordingly disposed of.

LPA 424/2022 and CM APPL. 31091/2022

4. Mr Kohli, the learned Senior Counsel, appearing for the appellant will file a written submission and propositions not exceeding one page along with all authorities on which they rely within four weeks from date.

5. List on 22.05.2025.
