The present matter has been taken-up for hearing by way of Video Conferencing on account of COVID-19 pandemic.

Crl. M(BAIL) 1289/2021 (Regular bail)

This is an application filed on behalf of Shanti Sharma, the appellant, seeking suspension of sentence during the pendency of the appeal.

Having heard learned counsel appearing on behalf of the parties and having perused the trial court record, in particular Ex.PW13/A, the post-mortem report which opines that the cause of death was ante-mortem compression of the neck; as also the circumstance that the time of death was in the middle of the night at the residence of the deceased, who lived there

with the appellant wife; as well as the circumstance that the appellant does not deny her presence at her residence at the relevant time, we are of the view that no good ground for regular suspension of sentence is made-out, at this stage.

The application is accordingly dismissed.
