I.A. 873/2022 (under Order XXXIX Rule 2A r/w Section 151 of the Code of Civil Procedure, 1908 ["CPC"] for wilful disobedience of order dated)

1. Mr. Chander M. Lall, Senior Advocate for Defendants, at the outset states that insofar as Plaintiff's grievance regarding non-compliance of order dated 24th December, 2020 is concerned – Defendants have already complied with the direction of the Court and have taken down the alleged infringing contents from their website. *Qua* direction restraining commercializing of "App", Mr. Lall states that in fact there is no "App" *per se* and instead, Defendant have developed a Software Development Kit (SDK) Integration Code, which received investment from overseas investors prior to filing of the present suit. The same is evident from information given in para No. 19 and 20 of the plaint. Mr. Lall further clarifies that the

SDK is only chargeable after more than 1,500 authentications, which event has not occurred, as of yet.

2. Taking the above statement on record, the application stands disposed of.

I.A. 12687/2020 (Order XXXIX Rules 1 & 2 r/w Section 151 of CPC)

3. List for hearing on 19th December, 2022.
