ORDER

% 01.11.2022

1. This hearing has been done through hybrid mode.
2. Submissions on behalf of the Defendant have concluded. Ld. Counsel has argued that the suit patent is itself invalid due to 'prior claiming'. He submits that more than 40 patents / applications of the Plaintiffs cover CTPR and the intention of the Plaintiffs is to somehow prevent the launch of CTPR by the Defendant despite the product patent having already expired.
3. At the request of Mr. Sandeep Sethi, ld. Sr. Counsel for the Plaintiffs, list on 2nd November, 2022 for his submissions.
