1. The question in the present petition is limited to the effect that whether the dispute in question can be said to be a commercial dispute or not.
2. Learned counsel for petitioner, though, admits that the plaintiff is seeking a sum of Rs. 1,50,00,000/- by way of damages but according to him, if the plaint is read in its entirety, it would clearly indicate that such damages are being sought on account of alleged defamation only and, therefore, the dispute in question is not a commercial one.
3. Issue notice through all permissible modes as also counsel, returnable on 25.09.2025.
