02.12.2019

1. This petition prays for transfer of Civil Suit bearing CS No.7851/16 titled **Amar Singh Sharma vs. Ganga Ram Sharma & Ors.** pending before the Court of ADJ-01, West, Tis Hazari Court to the District Court in Saket.

2. The ground for urging the transfer of the suit is that the petitioner is a senior citizen aged around 72 years and has recently suffered a minor heart attack. He is also suffering from old age ailments including heart, Diabetes, ear and eye sight.

3. It is further contended in support of the petition that the respondents have also filed suits against the plaintiff pending adjudication before the District Court, Saket.

4. The petition is strongly opposed by the counsel for the

respondent nos.7 to 10 and by respondent nos.2 and 3, who appear in person. They contend that the suit has been pending adjudication since 2008 and the present petition has been filed only because the suit was being expedited.

5. I have considered the submissions made by the learned counsels for the parties. Admittedly, the suit has been pending adjudication since the year 2008. It has not been shown as to how the suits filed by the respondents are in any manner connected with the suit in question. Even otherwise, the concern of the petitioner can be vindicated by directing the learned Trial Court to expedite the trial of the suit in question and to make endeavour to dispose it of within a period of within six months from today. It is ordered accordingly.

6. The petition is disposed of in the above terms.
