1. After some arguments, learned counsel for the petitioner prays for and is granted time to produce documents in support of her plea that the medical ailments from which the petitioner's son is suffering is on account of the purported negligence on the part of respondent no.4 in February 2019.
2. Learned counsel for the respondents, who appear on advance notice, submit that the petitioner has deliberately concealed material facts in the present petition as he has not even disclosed that his child was one of the twins who were born pre-maturely with the other twin having expired at the time of birth itself. Consequently, the child always had compromised immunity.

3. List on 28.08.2024.
