CRL.M.A. 6870/2021 in CRL.A. 580/2020

1. On 09.04.2021, this Court passed the following order,

“A report dated 07.04.2021 has been received from the Superintendent, Central Jail-10 along with a report from the Medical Officer, In-charge of the Dispensary Central Jail no.10, Rohini, New Delhi which states that on a perusal of all medical reports, it is found that the patient is a follow up case of Thalessemia Minor and is under regular follow up of Haematology OPD at AIIMS and that his general condition is stable and satisfactory and all medications have been provided to him from the jail along with the same is a result of methodology test in which the ferritin levels of the applicant are at 14.6 in a reference of ng/mL of 30-400. It is submitted on behalf of the petitioner that there is nothing to indicate that the applicant suffers from Thalessemia Minor as concluded by the Medical Officer, In-charge. The documents from AIIMS apparently as rightly submitted on behalf of the CBI have been sent only to the Medical Officer, In-

charge of the Dispensary Central Jail No.10, Rohini. In the circumstances, a specific report is called for from the Medical Superintendent, AIIMS on the basis of the records already available with the AIIMS qua the petitioner in relation to the condition of Thalessemia of the petitioner and also as regards the aspect of blood transfusions, if any, that are required by the petitioner. Furthermore, a report is also called for from the Superintendent Jail, Delhi in relation to the submission made on behalf of the petitioner that the blood transfusion has been done at least three times at the jail premises itself for the next date of hearing. The matter be re-notified for 03.05.2021.”

2. A perusal of the above mentioned order would indicate that this Court was examining the condition of the petitioner for adjudicating as to whether interim bail should be granted to the petitioner or not and it is for this purpose that a complete report from AIIMS had been called for. The matter was posted for 03.05.2021. On 03.05.2021, the matter has been adjourned to 05.05.2021. The petitioner states that the matter has now been adjourned to *en bloc* date.

3. Since this Court had specifically directed to list this matter on 03.05.2021 to ascertain the condition of the petitioner, list on 13.05.2021 before the Roster Bench.

4. The medical report from AIIMS is not on record. The same be placed on record before the next date of hearing.
