Matter is taken up through physical hearing as well as video conferencing.

As per file noting, both defendant nos.1 and 2 have remained unserved with the report 'buildings are under construction and there is no such company at the site'.

Learned counsel for the plaintiff has stated that as per his affidavit of service e-filed on record, defendants have been served by way of courier. However, copy of affidavit of service is not there in e-record of the case. The concerned official of the Registry is directed to keep the hard copy of affidavit of service on judicial record.

In the interest of justice, fresh summons be issued to defendant nos.1 and 2 at all the given addresses on filing of PF, by all permissible modes including electronic mode and *dasti*. Fresh affidavit of service be filed atleast one week before the next date of hearing.

Put up for further proceedings on 14th March, 2023.
