ORDER

%

27.03.2023

As per report, Joint Schedule of documents has not been filed. Last and final opportunity is given to both the parties to file the same.

It is submitted by counsel appearing on behalf of all the defendants that he does not wish to file affidavit of admission/denial and further requested that affidavit qua documents filed along with replication by plaintiff be considered as deemed admitted. However on the last date of hearing, adjournment was sought for filing of affidavit of admission/denial and it was granted subject to cost of Rs. 5,000/-. Counsel appearing on behalf of all defendants could have made same submission on last date of hearing also. It is sheer wastage of judicial time. Considering the same, now to come up for payment of cost imposed vide order dated 16.03.2023 and further proceedings on 15.05.2023.
