%

1. This hearing has been done through hybrid mode.
2. Learned Senior Counsel for the petitioner has vehemently argued that the direction given *vide* order dated 08.05.2024 in CONT.CAS(C) 1351/2022 with respect to phone/video call to be made to the child on every Saturday and Sunday has not been complied with by the respondent.
3. Learned counsel for the respondent submits that the phone number of the child has been provided to the petitioner and in case, he does not want to answer the call, the respondent cannot be held responsible for the same.
4. *Per contra*, learned Senior counsel for the petitioner submits that the said phone number, in fact, belongs to an employee of the respondent and not of the child and for that reason, the communication is not taking place. Learned Senior counsel for the petitioner wishes to place material on record demonstrating the same.

5. In addition, it is submitted that the petitioner wishes to celebrate his mother's milestone birthday on 21.01.2026 and during the same time, his sister's anniversary is also taking place for which the custody of the child will be sought and the petitioner would move an appropriate application for the same. Let the same be done before the next date of hearing.
6. In the meantime, let a response by way of an affidavit be filed by the respondent before the next date of hearing. The respondent shall also place on record in affidavit her details including her e-mail address. The affidavit shall also give details of the contact number, which is being used by the child at that relevant time as well as at present.
7. The respondent shall appear through video conferencing on the next date of hearing.
8. Re-notify on 14.01.2026.
