ORDER

% **12.08.2024**

1. Learned senior counsels for defendant nos. 1 to 3 have contended that written statement along with affidavit of admission/denial of documents was served on the erstwhile counsel who filed the plaint on 13.04.2023 and again on the present counsel Mr. Mohit Gupta, Advocate on 19.04.2023. He states that though the registry had marked defects on the written statement and the same have since been removed and brought on record, however, the contents of the written statement have not been altered and remain unchanged.

2. He further states that the affidavit of admission/denial of documents filed with the plaint was also served on 13.04.2023 and 19.04.2023, however, he states that the registry marked a defect on the format followed while filing affidavit of admission/denial of documents of the plaintiff.
3. He states that the said objections have since been removed and the content of the affidavit of admission/denial of documents remains unchanged and unaltered. He states that in these circumstances, the date of filing may duly be considered as 13.04.2023 and/or 19.04.2023 respectively.
