27. The Plaintiff is engaged in the business of providing healthcare technology and business process solutions. The Plaintiff is a subsidiary of United Health Group Inc. abbreviated as UHG, which is one of the leading information technology enabled health services companies in the world.

				44, 45
2.	OPTUM	3202829	04/03/2016	9, 10, 16, 35, 36, 38, 41, 42, 44, 45
3.	Optum	1706040	20/05/2022	9, 35, 36, 42, 44

29. The learned Senior Counsel for the Plaintiff submitted that Defendant Nos. 1 to 5, being Domain Name Registrars (“DNRs”) are engaged in the business of providing domain name registration services, enabling registrants to register domain names. Defendant No. 6 is the owner and operator of the social media platform ‘LinkedIn’. Defendant No. 7 is the company operating the email platform ‘Outlook’. Defendant Nos. 8 and 9 are mobile phone service providers. Defendant Nos. 10 to 17 and Defendant Nos. 19 to 21 are unknown individuals who are the registrants of the alleged Infringing Domain names, email addresses and accounts on social media websites, who have registered their domains or accounts with Defendant Nos. 1 to 7. Defendant No. 18 is an educational institution located in Nashik, Maharashtra, offering diploma, undergraduate, and postgraduate courses in pharmaceutical sciences affiliated with the Savitribai Phule Pune University and functions under the aegis of the Sandip Foundation.

30. It is submitted that some of the Defendants, in order to add a layer of authenticity are forging the Plaintiff issued identity cards and *Aadhar* cards in the name of the employee being impersonated, and sharing the same with the candidates. It is submitted that such conduct is damaging the Plaintiff’s reputation and is also a serious and *mala fide* conduct harming and duping the public at large.

31. It is submitted that in the month of October 2024, the Plaintiff received

emails from certain individuals, stating that unknown individuals had been impersonating as employees of the Plaintiff and using email addresses bearing the name of the Plaintiff, issuing Infringing Offer Letters and soliciting monetary payments from candidates under the guise of recruiting such individuals for the Plaintiff.

32. It is further submitted that the Plaintiff has discovered that several unknown persons have registered and are operating domain names that incorporate the OPTUM Mark and / or deceptively mark suggesting an association with the Plaintiff or its parent entity i.e., United Health Group. It is submitted that these domains include, *inter alia*, springrecruit.com, careeroptum.com, steps4career.com, optum-ind.com, go2career.in, pharmastuff.org.in, and pharmabharat.com and recruiting.ugh.com (“**Infringing Domains**”).

33. It is submitted that the Infringing Domains are used to create and operate email IDs such as ind@springrecruit.com, optum@springrecruit.com, optum-careers@recruiting.ugh.com, and amitvaish@careerptum.com (“**Infringing email IDs**”) are deceptively similar to genuine email addresses used by the Plaintiff or its affiliates. It is submitted that Infringing email IDs are used to contact job aspirants and falsely represent that the communication originates from the Plaintiff.

34. It is submitted that the Infringing Domains and the Infringing email IDs are designed to lend authenticity to the alleged fraud, and to mislead the public into believing that the same are legitimate extensions of the Plaintiff's recruitment and HR functions.

35. It is further submitted that in some email communications, the impersonators have also marked genuine employees of the Plaintiff to falsely

enhance the credibility of the exchange and further mislead the recipients. It is submitted that in February 2025, one Ms. Pooja Marikanti, an employee of the Plaintiff's Hyderabad office was impersonated by certain individual(s) to mislead the candidates.

36. It is submitted that the impersonators contacted candidates *via* WhatsApp and Infringing email IDs such as careers@recruiting.uhg.com, poojamarikanta 1995@gmail.com, falsely claiming to represent the Plaintiff. It is submitted that in furtherance of their deception, the individual(s) shared a forged copy of Ms. Pooja Marikanti's official company identity card, bearing the OPTUM Mark and her name. It is submitted that the impersonators also circulated a fabricated *Aadhaar* card bearing slightly modified personal details. It is submitted that in the said case the impersonators sought advance payments from the candidates under the false pretext of interview scheduling and recruitment formalities and in many cases, no actual interviews were conducted, or virtual interviews were held by the impersonators themselves while continuing to impersonate Ms. Pooja Marikanti.

37. These actions demonstrate a pattern of identity theft, forgery, and misuse of the Plaintiff's brand and personnel, undertaken with the intent to deceive the public and extract money. It is further submitted that this conduct is causing serious reputational harm to the Plaintiff and resulting in psychological distress and professional disruption for the employees being impersonated, who have had to respond to queries and clarifications arising from these incidents.

38. In some cases, the fraudulent documents refer to internal references and falsely claim to confirm the candidate's selection for specific roles. It is also submitted that the Infringing Offer Letters are accompanied by

instructions requiring the candidate to pay certain amounts for interview registration, background checks, employee codes, or certification programs purportedly run by the Plaintiff.

39. That the use of digital payment methods and financial channels is central to this scam, and unless restrained immediately, further victims are likely to be defrauded and additional sums wrongfully extracted under the Plaintiff's name.

40. The Plaintiff has also identified multiple instances where unknown individuals and entities have misused professional and social media platforms most notably the one operated by Defendant No.6, to falsely represent that job openings are available at the Plaintiff's Company. It is submitted that the continued presence of such misleading content contributes to the growing belief among candidates that these are genuine opportunities affiliated with the Plaintiff.

41. It was further submitted that despite the Plaintiff making complaints to Defendant Nos. 1 to 5 under Rule 3(2) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, many of these Infringing Domains continue to remain operational and accessible. It is submitted that Defendant Nos. 1 to 5 barring two instances have either failed to respond or refused to take effective remedial action or provide any details of the registrants of the Infringing Domains

42. It was also submitted that Defendant Nos. 1 to 5 have failed to provide any details of any of the unknown Defendants Nos. 11 to 17 and therefore it is imperative that Defendant Nos. 1 to 5 and other intermediaries provide the requisite information to the Plaintiff, so that such unknown individuals can be identified and the alleged activities are stopped in the interest of the general

public as well as to protect the Plaintiff's rights.

43. It was submitted that the alleged activities amount to blatant infringement of the Plaintiff's trade mark rights under the Trade Marks Act, 1999, as well as misrepresentation and passing off.

44. The learned Senior Counsel for the Plaintiff submitted that in the present case impersonation is at the core of the fraud, where individuals are claiming to be the recruiters from the Plaintiff. It was also pointed out that there are actual employees of the Plaintiff Company with the same name who are getting impersonated, which has made the impersonation all the more deceptive. It is submitted that the fraud also involved fake job offers for the position of Data Analyst at the Plaintiff's Company. To highlight the modus operandi of the impersonators, the learned Senior Counsel pointed out one instance wherein the candidate in the said case received communications *via* email and was interviewed over Google Meet by one person using the name 'Narayanan'. Subsequently, the candidate was asked to pay ₹22,999/- for a 'MATLAB' professional certificate through a deceptive website.

45. The learned Senior Counsel submitted that multiple fraudulent emails and documents were shown in the said case, all using the Plaintiff's name and presenting fake recruitment processes. A tabulated chart highlighting similar fraudulent instances and documents impersonating the Plaintiff including Infringing Offer Letters and communications sent Infringing email IDs like optum-ind@spring-recruit.com handed over during the hearing is reproduced below:

46. Technology has posed a major challenge for entities like the Plaintiff, as there is a proliferation of a large number of platforms, including various domain names and websites, from where unauthorised and fraudulent activities are being carried out. Considering pleadings, submissions and material placed on record a *prima facie* case is made out in favour of the Plaintiff. A review of the documents filed by the Plaintiff also suggests that repeated instances of fraud have occurred through Infringing Domains and email IDs using the OPTUM Mark to lure candidates with Infringing Offer Letters

47. In the present case, the creation and operation of such Infringing Domains and Infringing email IDs that are deceptively similar to those of the Plaintiff is a continuing problem, with new domains and email addresses being generated on a regular basis, making it difficult for the Plaintiff to approach the Court on every occasion. The Infringing email IDs are created and operated to impersonate the Plaintiff and its employees. In view of the *modus operandi* substantiated with instances of genuine employees of the Plaintiff being impersonated, fake interviews, and monetary demands made through digital channels, the Plaintiff has made out a *prima facie* case for passing an order granting *ex parte ad-interim* injunction to ensure the protection of the Plaintiff's OPTUM Mark.

48. Accordingly, it is directed that till the next date of hearing:

- a) The unknown Defendant Nos. 10 to 17, 19 to 21 and Defendant No. 18 are restrained by themselves / itself, their / its directors, promoters, affiliates, representatives, partners, servants, agents, assigns and all those acting in concert with or claiming under or

- b) Defendant Nos. 1 to 5 are directed to block access to and suspend the registration of the following Infringing Domain Names of Defendant Nos. 11 to 17, 19 and 21 or such other URLs that may subsequently be notified by the Plaintiff to be infringing of its exclusive rights and provide all information of the domain registrants like name, phone numbers and address and payment details pertaining to the person(s) / entity(ies) to the Plaintiff;

order, without requiring further directions from this Court.
