ORDER

% **04.08.2025**

CM APPL. 46957/2025 (for interim relief)

1. In the captioned writ petition, the petitioner has sought quashing of a communication issued by the respondent dated 10.07.2025, by which a clarification has been given by the respondent, rather than a positive vigilance clearance. By way of this application, he essentially seeks issuance of a vigilance clearance by the respondent as an interim relief.
2. Notice was issued in the writ petition only on 30.07.2025, and affidavits were called for. This application has been filed immediately thereafter.
3. I am of the view that no such order for grant of vigilance clearance can be made without, at least, having the respondent's case placed on

affidavit. I am also unable to understand why the relief sought in this application was not sought in the writ petition itself.

4. Be that as it may, the respondent may file a reply to the application within one week from today. Rejoinder thereto, if any, be filed within one week thereafter.

5. With the consent of learned counsel for the parties, the next date of hearing of the writ petition is advanced. List the application alongwith the writ petition on 16.09.2025.

6. The next date of hearing, i.e. 05.12.2025, stands cancelled.
