ORDER

% **25.08.2022**

Matter is taken up through physical hearing as well as video conferencing.

The case is fixed for further cross-examination of DW-1 Ms. Sangeeta Srivastava, but learned counsel for defendants has again sought adjournment on the ground that DW-1 is residing in US and she is unwell. The copy of the medical certificate has been placed on record, according to which, she may be exempted from travelling for another two months.

Perusal of previous cross-examination of DW-1 dated 28.01.2020 reveals that she was unwell at that time also.

Learned counsel for defendants has stated that he cannot pay the previous cost imposed vide order dated 12.05.2022 since the title of the Authority has been wrongly mentioned inadvertently whereas it should be 'Delhi High Court Legal Services Committee'.
