ORDER

% **23.03.2026**

Matter is taken up through physical hearing as well as video conferencing.

Notices sent to the JD at the address furnished by the JD at the time of putting in appearance received back unexecuted. However, it is submitted by Ld. Counsel for plaintiff that the JD had been served by way of e-mail. In this respect, he has already filed affidavit of service. The same is considered.

In view of the affidavit filed on behalf of the DH, I deem the JD served with the notice of the present execution petition.

Let the matter be placed before Hon'ble Court for further directions on 21.05.2026.
