ORDER
% **01.07.2024**

1. In terms of order dated 9th April, 2024, the Appellant has applied for modification of the complete specification, including the description and claims in Patent application no. 10437/DELNP/2015. A copy of the said modification application was also served on the Respondent. However, Dr. Bhanumathi R., Assistant Controller of Patents and Designs, states that she has certain reservations even with respect to the modifications now suggested by the Appellant. Specifically, she submits that she has an objection to the Appellant's reference to a "healthy donor" in the amended specification.
2. In light of the above, in the opinion of the Court, the matter would

now require to be considered afresh.

3. Accordingly, the matter is released from the category of part heard.
4. List before the Roster Bench on 10th July, 2024.
