ORDER

% **05.03.2024**

(The proceeding has been conducted through Hybrid Mode)

1. Learned counsel for the respondents seeks a short accommodation to place on record the judgment in support of his contentions that this Court has to consider the constitution of the respondent-institution as to whether it was a “State” as on the date when the cause of action for filing the present writ petition has arisen or the institution having, in the interregnum, been granted a status of “State”, would be the overriding factor.

2. Learned counsel is granted two weeks' time to place on record judgments.
3. List on 08.07.2024.
