CS(OS) 1286/2012

Previous court of Rs.6000/-paid by learned counsel
for the plaintiff to learned counsel for the defendant no.11.

However, the plaintiff has again not taken requisite steps for filing an application seeking condonation of delay in filing Replication on the ground that there was a marriage in his family. He seeks some time to file the same. The request is opposed by learned counsel for the defendant no.11. It is stated that since the year 2021, the matter has been pending for filing an application seeking condonation of delay in filing Replication by the plaintiff but till date the plaintiff has not taken steps for filing the same. He has been seeking adjournment on one pretext or another. Heard and records perused. There is an inordinate delay in filing the requisite application seeking condonation of delay in filing replication by the plaintiff. So, no ground is made out to give further opportunity to the plaintiff. However, solely, in the interest of justice and subject to imposition of cost of Rs.3000/- to be paid to the defendant no.11 by the plaintiff, one more last and final

opportunity is granted to the plaintiff to file an application seeking condonation of delay in filing replication. The same be filed within three weeks with copy to the opposite side. Reply, if any, to said condonation of delay application be filed by the defendant no.11 within two weeks with copy to the opposite side, who is at liberty to file rejoinder, if any, within two weeks thereafter with copy to the opposite side.

Re-notify the matter for completion of pleadings/further proceedings on 18.03.2024.
