ORDER

% **18.03.2024**

CS(OS) 1286/2012

It is stated by learned counsel for the plaintiffs that he has already filed an application seeking condonation of delay in filing Replication on 08.01.2024. He submits that does not remember the diary number of said application. The same is not on record till date. It is vehemently argued by learned counsel for the defendant no.11 that the sole purpose of the plaintiffs is to indulge into the dilatory tactics with a view to harass the defendant no.11 and he has reasonable belief that no such application has been filed by the plaintiff. In view of submissions made by learned counsel for the defendant no.11 and in view of previous conduct of learned counsel for the plaintiff, the matter is passed over at 12.30 p.m. with directions to the plaintiff to place on record the diary number of said application and the defects sheet.

At this stage, it is stated by learned counsel for the plaintiff that he does not wish to press for the Replication which was filed by him earlier on record. Learned counsel for the plaintiff has fairly concedes that he has not filed Affidavit of Admission/Denial of the documents qua

documents of the defendant no.11 filed alongwith Written Statement. So, the said documents filed by the defendant no.11 are deemed to be admitted by the plaintiff as per provisions of Chapter VII Rule 7 of Delhi High Court Rules.

Learned counsel for the defendant no.11 is directed to file soft copy as well as physical copy of Joint Schedule of the documents within three weeks with copy to the opposite side.

Re-notify the matter for marking of exhibits to the documents on 22.07.2024.
