1. Mr. Singhdev, learned counsel for the respondent No. 5 i.e., National Medical Commission ("NMC"), has draws my attention to paragraph

No. 7 of the additional affidavit on behalf of the respondent No. 5/NMC, which reads as under:-

“7. It is submitted that based on the Final Enquiry Report dated 20.12.2025 submitted by the aforesaid committee, the recommendation with respect to students of the 3rd batch who were admitted after the LOP was withdrawn by the Commission and the students admitted earlier was duly examined and accordingly following decision has been taken by the Board:-

a) M.Ch. Neurosurgery (2022-25): Degree protection as exam-going batch.

b) M.Ch. Neurosurgery (2023-26): Immediate academic migration to GIPMER with reassignment of thesis guides.

c) M.Ch. Neurosurgery (2024-27): Admissions declared void ab initio; migration to vacant seats in ABVIMS/GIPMER recommended on humanitarian grounds.

d) DM Neuro-Anaesthesia (2024 batch): Immediate migration to a recognized institution due to absence of valid department and faculty.”

2. He states that purely on humanitarian ground, it is in the process of identifying and adjusting the petitioners in the medical colleges identified by NMC.
3. It is expected that since final inquiry report is dated 20.12.2025, which clearly shows that the petitioners were not at fault, the NMC shall take appropriate remedial action as one time measurement expeditiously and preferable by 31.01.2026.

4. The NMC shall also keep in mind the fact that the petitioners have got seats in Delhi and are domiciled in Delhi.
5. List on 02.02.2026 at 10:30 a.m.
