1. Counsel for the parties state that proceedings in the present suit have to be deferred as the decision on the rectification petition, which is pending before the High Court of Bombay, is still awaited.
2. At the same time, court finds merit in the request made by Defendant's counsel for parties to be referred to mediation as the matter has been pending for nearly 10 years and parties have never attempted amicable resolution through mediation process.
3. Since the proceedings are being adjourned, it is considered appropriate to direct parties to attempt mediation. Accordingly, parties are referred to Delhi High Court Mediation and Conciliation Centre, where they shall appear before the Mediator on 1st April, 2024.
4. List before court for reporting the outcome on 18th July, 2024.
