ORDER

% **02.11.2020**

Evidence is to be recorded before the learned Local Commissioner.

Learned counsel for the plaintiff has submitted that he has sent an e-mail to the learned counsel for the defendant after consultation with the learned Local Commissioner, to know as to whether evidence may be recorded through videoconferencing. Copy of e-mail supplied to learned counsel for the defendant. However, learned counsel for the defendant has submitted that learned main counsel for the defendant as well as defendant are not comfortable to cross-examine the witness through video conferencing.

Since both the parties are not consenting for recording of evidence by the learned Local Commissioner through videoconferencing, accordingly, evidence is to be recorded in the presence of both parties.

Put up for consideration on 22.01.2021.
