%

1. Replication has been filed but is under objection on account of delay. Ld. Counsel for the defendant has no objection to the delay being condoned on the oral request of ld. Counsel for the plaintiff. Consequently, the delay stands condoned.

2. Ld. Counsel for the plaintiff has highlighted that Registry has raised another objection to the replication that affidavit of admission / denial of documents should also be filed alongwith the replication. In this regard, ld. Counsel for the plaintiff

submits that trial has already been concluded and consequently, there is no requirement of affidavit of admission / denial of

documents now. In view of the submission of Id. Counsel for the plaintiff, Registry is directed not to raise this objection, and take the replication on record since delay also stands condoned.

3. In view of the above, be placed before the Hon'ble Court on the date already fixed i.e. 03.09.2025, for further directions.
