ORDER

% **08.03.2017**

The counsel appearing for the judgment debtor submits that the judgment debtor was released from jail in November 2016. He submits that time may be granted for list of assets of the judgment debtor to be brought on record.

As pointed out by the learned counsel for the execution petitioner, such discovery by the judgment debtor at this stage may not be necessary as certain properties which were identified by the decree holder already stand attached in terms of order dated 18.03.2016. Since no cause to the contrary is shown, there is no reason why the recovery by sale of the said attached properties may not commence for enforcement of the decree.

The decree holder presses for the proclamation of sale to be issued with regard to the property mentioned at serial no.(i) in order dated 18.03.2016 on EA(OS) 233/2016. The Registrar General shall issue and undertake further action on the proclamation for sale in

accordance with law and rules on requisite steps being taken.

The matter shall be placed before the Registrar General on 27.03.2017.
