Matter is taken up through physical hearing as well as video conferencing.

The case is fixed for cross-examination of PW-1 Sh. Kushal K. Rana, but learned counsel for the plaintiff has stated that he had gone out of station due to which evidence cannot be recorded today.

Learned counsel for the plaintiff has further stated that there is connected case CS(OS) 3067/2011 which was listed alongwith this case on previous dates, but inadvertently it has been listed by the Registry in the court of Joint Registrar-06 today.

At request, the concerned official of the Registry is directed to list the said case i.e. CS(OS) 3067/2011 alongwith the present case for future hearings as both cases are connected with each other.

At request, put up for cross-examination of PW-1 on 22nd May, 2023 at 2:00 PM, as last opportunity.
