Matter is listed for admission/denial of the documents filed by respondent no. 3 to 5, which are in photocopies.

Respondent no. 3 to 5 sought permission to summon the original record of judicial file of IPA No. 12/2014 stating that the documents relied by them are lying in that IPA.

Witness along with that file is present and perusal of that file shows that only photocopies are available in that record and no original is lying in that IPA file. It is now claimed that respondent no. 3 to 5 that some of the originals are in possession of petitioner.

This submission, as per record, has been made for the first time today in the court and respondent no. 3 to 5 have unnecessarily summoned the judicial file of IPA. Since the documents filed by respondent no. 3 to 5 are photocopies, petitioner cannot be asked to admit or deny those documents.

Admission/denial of the documents stands concluded.

Witness is discharged.

List the matter before the Hon'ble Court on **12th April, 2017** for further directions.

Parties are directed to exchange their proposed issues before the date fixed.
