ORDER
13.08.2026

%

1. All the three matter, being connected, have been taken up together.
2. Petitioners seek quashing of FIR on the basis of settlement between the parties.
3. One Rajan is accused in two such cases and is complainant in one of the matters and he is, reportedly, in judicial custody in case FIR No. 218/2026 Police Station New Usman Pur.
4. All the three matters would now be taken up on 20.08.2026 for further consideration.
5. Concerned Superintendent Jail is directed to make requisite arrangement so that Rajan is in a position to join the proceedings through *videoconferencing*.
6. However, fact remains that Sachin Sharma and his mother, who are present today, submit that they have entered into settlement voluntarily and without any force, coercion, threat and influence in order to maintain peace and harmony in the neighbourhood and they would have no objection if the FIRs, which have been registered on the basis of their reports, are quashed. On the next date, they would be permitted to join the proceedings through *videoconferencing*.
